

LIFT WITH EASE

Efficient and ergonomic
material handling

Item No.: MG

MG

Weight (kg)	1, 3, 5.3, 6
Length (mm)	100, 1031, 200, 300, 365, 400, 500, 600, 700, 800
Other characteristics	Stainless steel (SS)

The MG is an ergonomic handle with grip maximum control and precision. The dual-grip design also reduces the risk of pinching. The handle is curved, making it easier to place objects, such as on a shelf. The two-handed design provides stability even during demanding use and reduces strain on the wrists and arms. Available in various lengths depending on the application.

Versions

Article number	Weight (kg)	Length (mm)	Other characteristics
 60-11006-100	1	100	
 60-11006-100-SS		100	Stainless Steel (SS)
