

LIFT WITH EASE

Efficient and ergonomic
material handling

Item No.: 92-10059

Hook (PSH control)

Weight (kg)	3.25
Type of lifting object	Bucket
Gripping technique	Hook
Maximum capacity (kg)	50
Industry	Battery industry, Beverage industry, Pharmaceutical industry, Food industry, Metal industry, Distribution and warehousing, Automotive industry, Wood and furniture industry, Ventilation industry, Engineering industry
Height (mm)	358
Configuration height (mm)	-347

The bucket lifter handles buckets and other similar objects weighing up to 50 kg. The lifting tool is small and compact, so it doesn't take up much space in the work area. The user simply needs to place the lifting hook in the bucket's handle and then use the control buttons to lift the load up and down. Handling is quick and easy, and the operator is spared from heavy lifting.
