

LIFT WITH EASE

Efficient and ergonomic
material handling

Item No.: 89-10308

Pipe gripper 89-10308

Type of lifting object	Pipe
Weight (kg)	28
Maximum capacity (kg)	100
Gripping technique	magnet

Lifting tools for pipes

The pipe gripper can lift pipes of various sizes and weights as long as they have a smooth and clean surface. The lifting tool consists of strong magnets that do not lose their magnetic properties in the event of a compressed air failure, making it a very safe lifting device. The magnets are adjustable to lift larger pipes weighing up to 100 kg.
