

LIFT WITH EASE

Efficient and ergonomic
material handling

Item No.: 89-10531

Roll gripper

Type of lifting object	Roll
Weight (kg)	15.5
Maximum capacity (kg)	25
Serial number	5020
Function	Tilt
Gripping technique	Mechanical
Optional control	Balancing

For plastic and aluminium rolls up to 25 kg, this nifty roll gripper can also be customised to suit your needs. The roll gripper grips the roll from the outside, which is perfect for lifting rolls with no inner core or where the diameters of the inner cores vary. With this gripper, it is easy to lift a roll, turn it 90° and place it into a box or onto a pallet. Thanks to the Bal-Trol hoist, this lifting tool can lift rolls quickly and efficiently, making it a very useful tool indeed!
