Cardboard box gripper 89-11980

Type of lifting object	Box
Weight (kg)	17.5
Maximum capacity (kg)	56
Serial number	A6531
Gripping technique	Vacuum
Optional control	PSH

This cardboard box gripper is perfect for lifting boxes and packages up to 56 kg. The gripper's vacuum cups are customized for porous materials, such as carton and cardboard. These cups can be repositioned on the frame, to increase or decrease the gripping area depending on the size of the box.

By using the cardboard box gripper, you can work effortlessly and efficiently, maintaining speed and precision while avoiding repetitive manual lifting that can ultimately cause strain injuries.

Lifts All extensive experience in manufacturing [vacuum grippers](#) for boxes. You can see some of them [here](#).
