

LIFT WITH EASE

Efficient and ergonomic
material handling

Item No.: 3094

Multi-container gripper 3094

Type of lifting object	Container
Weight (kg)	15
Maximum capacity (kg)	65
Serial number	3094
Gripping technique	Hook
Optional control	PSH

Why lift one at a time when you can lift five at a time?

Lifting and moving hundreds of containers individually is not easy and would take several people several hours to complete. Lifts All have built a multiple-container gripper, with variable sets of hooks for lifting several containers at once. Just change the hook application depending on how many containers are to be lifted!

Save time and spare your work force from repetitive strain injuries by using this multi-container gripper.
