LIFTING WIND SHIELDS

Lifts All AB is one of the world's leading manufacturers of lifting tools. Our wide product range supplies industries all over the globe with tailor-made ergonomic solutions. We lift all!

LIFTING BUS WINDOWS

The gripper is lifting and tilting 90 degrees glass up to 100 kg or 200 kg. Thanks to the balancing effect you dock the glass to the frame in seconds. The gripper is driven by compressed air only, which makes it a quick and safe tool. The ergonomic design immediately improves the productivity and shortly the operator notices an improved personal health.

Max load: 100 kg

Control: PSH

Functions: Lifting wind shields for buses and trucks. With tilt 90 degrees.

LIFTING WIND SHIELDS

The gripper is lifting and tilting glass up to 25 and 50 kg. Thanks to the flexible vacuum cups the gripper can manage both concave and convex screens which makes the handling quick and smooth. Thanks to the weightless handling technique the operator can manipulate the product with the hands directly on the object.

92-10018
